

Strategic Alliance Mortgage (SAM) DRAPER & KRAMER

SAM Members are experts in their field and provide creative capital solutions that always serve their clients' best interests, time after time.

Draper and Kramer is a member of the Strategic Alliance Mortgage, LLC, a group of independently owned commercial mortgage firms located around the country. As a group there are over 40 branch offices and a production staff in excess of 200 producers that provide a data base that will help assist in the access of market data, property data and debt and equity source data that enables the group to complete successfully with the national mortgage banking firms.

Founded in 1998, Strategic Alliance Mortgage, LLC ("SAM") is a consortium comprised of the top independently owned commercial mortgage brokerage firms located throughout the United States. The member firms utilize their shared national knowledge to execute superior capital market solutions for developers, commercial real estate investors, investment management firms, asset management firms, real estate investment trusts and real estate private equity firms.
